Alaska Workforce Investment Board**

**Executive Director's Report  
October 13, 2009**

The agenda for the October AWIB meeting has been finalized and sent to the AWIB (attached). The next board meeting will be held on October 26<sup>th</sup> and 27<sup>th</sup> at the University Of Alaska Board Of Regents Conference Room in Fairbanks.

The agenda includes an update on the development of a healthcare workforce development plan, statewide CTE plan update, and briefings on service delivery programs. Updates regarding the AGIA Strategic Training Plan, registered apprenticeship, research and analysis, workforce development budget, and legislative issues will be provided. Time has been allocated on the agenda for AWIB discussion items, an AWIB process session, and committee meetings and reports. The AWIB will receive an update from the STEP Task Force and the STEP regulation project. A nominations committee has been appointed to solicit interest for Election of Officers. An election for Chair and Vice-Chair will be held at the October AWIB meeting.

An AGIA Steering Committee meeting was held on Wednesday, August 19<sup>th</sup> to review the implementation schedule and action to date for the four strategies contained in the AGIA Training Strategic Plan. Jeff Selvey and Helen Mehrkens gave an update on the status of implementation for Strategy 2, and portions of Strategy 4 related to Career and Technical Education. Gerry Andrews and Mike Shiffer gave an update on the implementation for Strategy 3 for registered apprenticeship. Several Department of Labor staff contributed to the update on implementation for Strategy 4. Guy Bell provided an update on the FY 10 budget for workforce development. The next AGIA Steering Committee is scheduled for October 28<sup>th</sup> at the Fairbank Pipeline Training Center.

The U.S. Department of Labor (USDOL), Employment Training Administration is solicited grant applications for the healthcare sector under the American Recovery and Reinvestment Act (ARRA). A grant application was prepared and submitted by the by industry consortia that currently include Providence Hospital, Fairbanks Memorial Hospital, the University of Alaska, Anchorage School District, Alaska Department of Health and Social Services, Alaska Department of Labor and Workforce Development, U.S. Office of Apprenticeship, Alaska State Hospital and Nursing Home Association, Denali Commission, AWIB, and other agencies. The USDOL intends to fund grants ranging from \$2 to \$5 million and the applications were due by October 5, 2009. A healthcare workforce development plan is being developed by this industry consortia and a draft of the plan is expected to be presented to the AWIB at the October meeting in Fairbanks.

The USDOL, Employment Training Administration is soliciting grant applications from State Workforce Investment Boards for State Energy Sector Partnership and Training Grants under the American Recovery and Reinvestment Act (ARRA). A grant application for training related to renewable energy and energy efficiency occupations and the formation of a State Energy Sector Partnership (SESP) is being considered. The USDOL is strongly encouraging a comprehensive energy sector partnership around state energy policies to create jobs and promote economic development in the energy efficiency and renewable energy fields. There was a meeting on September 8<sup>th</sup> at the Alaska Energy Authority to discuss the state energy plan and grant application requirements. The SESP was formed and is supportive of the grant proposal; the application must come from the AWIB and be submitted by October 20, 2009. The USDOL intends to fund grants from \$2 to \$6 million. As this is a USDOL solicitation, staff from the Alaska Department of Labor and Workforce Development and the Alaska Workforce Investment Board would take the lead in organizing and preparing the application.

Alaska's Workforce Investment Act (WIA) Annual Performance Report for PY 2008 was submitted to the USDOL ETA by the October 1, 2009 deadline. The WIA Annual Report included Workforce Investment Act Title 1-B adult, dislocated worker, and youth programs as well as Trade Adjustment Assistance, Wagner-Peyser, and Veterans Services programs. The draft annual report was forwarded to the Assessment and Evaluation Committee for review on September 17<sup>th</sup>, then forwarded to the Executive Committee for review and was submitted through the Commissioner's Office to the U.S. Department of Labor.

Jeff Selvey continues to work with all stakeholders on the implementation of AGIA's Strategy 2, and portions of Strategy 4 related to Career and Technical Education. Jeff and staff hosted a Regional Training Center (RTC) conference on September 17 and 18, 2009. There were 21 participants. Jeff is working with the RTC's in assisting the RTC's implement career pathways, expanding programs, and meeting industry standards. Guy Bell, Assistant to the Commissioner, Corine Geldhof, Director of Business Partnerships, and Mike Shiffer, Assistant Director of Business Partnerships, presented budget and grant information to the RTC's.
